Investment objective

The Delta Fund Inc. is a multi-market fund that seeks to direct its investments to the best alternatives of financial instruments available in the global markets, which are identified through a personalized, dedicated, and meticulous market research. We direct our efforts in negotiating special conditions through non-conventional issuers, thus expanding the possibilities of diversifying the Fund's portfolio, seeking to add value to the investor. Class A Shares of the Fund allow the use of moderate to average leverage on the investments, which depend on market conditions.
